The Goals of the Duncan Band Program

The goals of the Duncan band program are as follows:

1. Increased musical development in
 - a. tone
 - b. intonation
 - c. appreciation of all kinds of music and musical styles
 - d. technique and musicality
2. Development of self-discipline and self-motivation.
3. Support of school and community activities through performances at athletic and community events and presentation of concerts and musical programs.
4. Development of school and community pride by representing Duncan at musical contests and parades.

Hints for a Successful Band

Without you this organization has no purpose or reason to exist, however, without your dedication and effort, it will not exist. Here are hints on how to make a good band a great band.

1. Give 100% of yourself 100% of the time--at least, if you are an exceptional band student, give more.
2. Anticipate all events by 30 minutes.
3. Attend all rehearsals and performances.
4. Have all necessary equipment and materials.
5. Be courteous to all band members, especially when correcting another student. Treat others as you would like to be treated.
6. **There is no place in this band for complaining. If you have a suggestion, please tell the directors, it will be considered.**

ATTENDANCE

1. Attendance of all rehearsals and performances is necessary for the success of our band program. Students on academic probation are expected to participate in the band rehearsals and performances
2. Always be in your seat, instrument out, ready to play ten minutes prior to a rehearsal or performance warm-up time.
3. If you have to miss an extra rehearsal or performance for any reason, **please have a parent call the Band office before the rehearsal, performance, or time of departure. (255-0700 ext. 270)**
4. **As the work you miss in band is difficult to make up, please schedule dentist and doctor appointments around band rehearsals if at all possible.**
5. Attendance of sectionals is required in order to be enrolled in band. If you have a transportation problem, we will be glad to help.
6. **During marching season, our rehearsals will begin daily at 8:00 a.m. In addition, the Colorguard and Percussion will have an extra rehearsal on Monday evenings and the full band will have an extra rehearsal on Thursday evenings.**
7. All detentions should be scheduled during encore or after school; not before school.
8. Bandmembers will not be allowed to miss any part of a rehearsal to attend a morning organizational meeting unless prior permission has been given.
9. Any absence prior to a performance, be it due to illness or any other reason, could result in the loss of your place in the performing band for that particular performance, depending on the closeness of the event.
10. Any avoidable absence from a performance (including in-school performances) can result in dismissal from the band program. An avoidable absence may be defined as: An absence not excused by the director prior to the event.

DUNCAN HIGH SCHOOL BAND GRADING SYSTEM

Grading will be based on playing requirements, preparedness, attendance and some written work. All performances are required unless it is a voluntary activity. **Work will not be accepted as a reason to miss a performance.** Students may be asked to turn in weekly playing "homework" assignments. These assignments will be recorded at home. Students must maintain a passing grade in band for continued enrollment in the class. Attitude and conduct will be used as criteria for grading. **Students are expected to maintain high standards in attitude and conduct to participate in the Duncan Band Program.**

Tardy Policy

You must be in your seat or on marching field, with your instrument and ready to play when it is time to start. If not, you will be counted tardy. (This includes any rehearsal or performance.) Excessive tardies will be handled in accordance to the student handbook and can affect your chair placement in the band.

UNIFORM

It should be considered the highest honor to be allowed to wear the uniform of Duncan High School Band. While in uniform, you are easily identified as a member of the Duncan H.S. Band. Your behavior is identified with your school and community. Therefore, your behavior and attitude should always be exemplary.

1. Band uniforms will be kept in the uniform room at the bandroom.
Uniforms may be taken home after getting prior approval from one of the directors and returned after a day or two.
2. You will be issued a clean uniform. It is your responsibility to keep the uniform dry-cleaned throughout the year. You have the option of turning your uniform in at the end of the **year in the dry-cleaning bag with receipt attached** or paying a \$25 cleaning fee to Duncan H.S. Band.
3. Students will need to furnish the following items to be worn with the uniform:
 - a. Current Show T-shirt – Cost is approx. \$10 - \$15
 - b. Long Black Socks

I have read the preceding handbook and understand it completely. By signing this I agree to abide by the policies set forth in this handbook.

SCHOOL OWNED INSTRUMENTS

Duncan Public Schools has a limited number of instruments that are available to students.

- When a school instrument is loaned to a student, the student must sign an Instrumental Agreement Form insuring that the instrument is properly cared for and will be returned to the school at the request of the director.
- Any repair resulting from damages due to irresponsibility, misuse, or neglect will be the responsibility of the student and his/her parent or guardian.
- Abuse of a school owned instruments will not be tolerated.

ALL-REGION / ALL-STATE / SOLO-ENSEMBLE

1. Please notify Mr. Haas during the first few weeks of school if you would like to audition for the All-State or All Region Honor Band.
2. Because of the difficulty of the tryout material, and the limited amount of time to help students auditioning, a preliminary audition may be held to determine if a student possesses the musical ability and has done the necessary preparation to audition for the All-Region or All-State Band. Please do not ask to audition if you can not attend after-school extra-help sessions.
3. Notify Mr. Haas before Christmas break if you would like to participate in a solo or ensemble contest. **Mr. Haas will pick or approve all solo/ensemble music.** All solos must be memorized unless you do not plan on taking the solo to the State Contest.
4. In mid January, after the students have been given time to work on their solo/ensemble, they will perform for a director with music. Only those who have done some preparation will be allowed to enter their solo or ensemble at contest.
5. Students must pay the entry fee by the due date and there will be no refunds.
6. Students who use piano accompaniment must hire an approved accompanist. If you are unsure if an accompanist is approved, ask Mr. Haas. The average cost of an accompanist is approximately \$40 for District Contest and \$65 for State Contest.
7. All-Region, All-State and Solo/Ensemble events are strictly voluntary, however, they are counted as performances. If you sign up, attendance policies will be in effect. Also bonus points will be given for auditioning and attending the event.

PRIVATE LESSONS

While private lessons are not required, they are **strongly** encouraged.

Private lessons are not only helpful to students who are struggling but are very beneficial to the more advanced students who might have goals toward All-Region, All-State Band and/or Solo Competition. Ask one of the directors for the names of approved teachers.
