- OU and Cameron concerts are optional, free and will be great experiences.
- More info about the Oklahoma Days of Percussion is to come. You will be excused from school on Friday to attend if you'd like.
- April 24<sup>th</sup> or 25<sup>th</sup> will be used for Drumline Cadence Camp. The 24<sup>th</sup> is a bad weather day. We will have our rehearsal on this day unless we have school in which case we will do it on Saturday. **ALL DRUMLINE MUST BE THERE.**
- May 7<sup>th</sup> or 8<sup>th</sup> will be used for Drumline Cadence Camp. The 7<sup>th</sup> is a bad weather day. We will have our rehearsal on this day unless we have school in which case we will do it on Saturday. **ALL DRUMLINE MUST BE THERE.**
- This year we will be performing a final selection with all the ensemble members playing at the same time. This song will be FRANKENSTEIN that normally rehearses at 6:00 on Thursdays. In order to have everyone play on the song we must have two extra rehearsals on this song. They will take place on April 24<sup>th</sup> and May 7<sup>th</sup> from 2:00 to 3:30. These are bad weather days. If for some reason we have school on these days, we will rehearse on Saturday instead. **It is important that everyone make plans to be at these two rehearsals.**
- May 12<sup>th</sup> will be our dress and technical rehearsal. I know this is a Wednesday and I apologize for that. However, it is the only day that we can get into the auditorium to practice. **All Students must attend the entire time.** I doubt it will take the entire time - we should get out early.

The music we are preparing is quite difficult and was selected because you were so successful at our Winter Concert. Please remember the commitment you've made by being a member of this group. Come to rehearsal prepared and ready to rehearse on an ensemble level... not for individual practice. As always, if you need help, ASK ME! I have no problem cutting you some slack if I know you have asked for help and are working on the problems. However, if you are unprepared and have not asked for help, I will not be so sympathetic. Welcome to the TRADITION of the Duncan Percussion.
