

# Band Car Window Stickers

We can finally show our pride in being a member or supporter of the Duncan Bands with a car window sticker. They are die cut out of white vinyl and are to be applied to the outside of the car. They stand out and look very similar to other Duncan activities stickers you've seen on cars around town.

They measure 5" x 4" and look like this image. We are selling them for \$5.00 each and will have them available at the band room soon.
